

Spring 2009

Dear Camp Tavor Families:

We are gearing up for a phenomenal summer '09 and we hope you are too! Enclosed are several items to help all of us fully enjoy the summer.

To be completed and mailed to the Winter Camp Office by May 15th

1. Camper Health History Form 1 (green)

Please complete all four sides of the Health History form and sign it so we can be well prepared for your child's arrival at Camp Tavor. Complete one form for each child.

2. Camper Healthcare Recommendations Form 2 (green)

The Health Recommendations form is one that we will be using at Camp Tavor to better understand your child's health needs. Your child's physician will need to complete all but the upper right corner of the form.

3. Consent Form (cream)

The Consent form gives permission for Camp Tavor to consult with a mental health professional regarding your child as needed; administer generic over-the-counter treatments and medications as appropriate; and photograph, video tape or interview your child to promote or advertize camp.

4. Insurance Card

Your child's insurance card allows us to get medical care for your child if needed. Please send us a photocopy of both sides of your child's health insurance card(s).

Additional Information

Online Photos, News and Camper E-mail (bright blue)

Bunk 1 has been our e-mail supplier for the past several years. This year Bunk 1 will also host our photo gallery and newsletter. There is no cost to view the photo gallery or receive e-news, but you must register with Bunk 1 to gain access to both.

Parent Informational Handbook (bright green)

The Camp Tavor Handbook is your resource for phone numbers, camp policies, packing list, directions, glossary and more. Read it over carefully, discuss it with your children and keep it handy while preparing for and enjoying the summer.

Campers attending second session can mail their forms by June 15 if necessary, but we prefer to have all paperwork completed before the summer begins to avoid confusion. **After May 30 all mail should be sent to the summer office.** If you have any questions, always feel free to call.

L'hitraot,

Shelley Goldwater,
Executive Director
